Professional Summary

Detail-oriented and analytical thinker with a background in computer science and a growing passion for data-driven decision-making. Skilled in Python, Excel, and analytical problem-solving.

Education

Galgotias University , Bachelor of Technology in Computer Science 2023 - Present

- CGPA: 8.15

Maharana Pratap Polytechnic , Diploma in Computer Science and Engineering 2019 - 2022

- Percentage: 79

Internship & Certification

Coding Ninja , Intern - Web Development (Remote) 07/2024 - 09/2024

- Developed and tested a web application using HTML, CSS, and JavaScript
- Implemented features to improve the user experience of web applications to a system-wide search database

Navodita Infotech ,Intern - Python (Remote) 01/2025 - 02/2025

- Assisted in the development and optimization of Python-based applications, utilizing libraries such as Pandas, NumPy, and tkinter to streamline processes and enhance functionality.

Projects

StudentScorePro

- Designed and developed a **StudentScorePro** using **HTML, CSS, and JavaScript** to enhance accessibility across devices.
- Integrated an **SQL database** for secure and scalable storage of student records and grades, maintaining data integrity.

ContactSphere

- Developed a **feature-rich contact management system** using **Python** and its libraries.
- Implemented **CRUD operations** to manage essential contact details such as **name, phone number, email, address, and company**. .

Technologies

Languages: Python , HTML , CSS , JavaScript

Frameworks & Libraries : ReactJs , Bootstrap

Tools & Platforms: Linux, AWS, Git, GitHub, SQLite, Excel

Coding Achievements

Solved 100+ logic-based problems on platforms like LeetCode and GeeksforGeeks, strengthening analytical and problem-solving skills.
